

AFRIEDU BUSINESS SCHOOL

Developing Leaders. Transforming Africa.

A premier institution for leadership, business,
governance and professional development.

ADMISSIONS & PROGRAMS BROCHURE 2026

ABOUT US

Africa's trusted leadership partner.

AFRIEDU Business School is a leadership, business, governance and professional development institution committed to developing leaders and transforming Africa. We combine rigorous academic thinking with practical, Africa-focused case studies to build ethical, high-impact leaders.

Mission

To develop ethical leaders, build organizational capacity and transform Africa through practical education, innovation and excellence.

Vision

To become Africa's most trusted institution for leadership, governance and business excellence.

Core Values

Integrity • Excellence • Innovation •
Leadership • Accountability • Impact

Our Network

Learning centres and alumni across Lagos, Nairobi, Johannesburg and London, with programs delivered online, on campus and in corporate boardrooms.

Programs built for African leaders.

From flagship degrees to focused professional certificates, our portfolio is designed to elevate executives, entrepreneurs and public-sector leaders.

Executive MBA

A transformative 18-month degree for senior managers and executives ready to lead at the highest level.

18 MONTHS • ONLINE & PHYSICAL

Postgraduate Diploma in Business Administration

Build strategic management, finance and operational leadership skills in a rigorous 9-month diploma.

9 MONTHS • ONLINE & PHYSICAL

Senior Executive Program

An intensive leadership immersion for CEOs, directors and senior leaders preparing for boardroom influence.

6 WEEKS • ONLINE & PHYSICAL

Women in Leadership

Develop executive presence, strategic networks and inclusive leadership for women leaders across sectors.

8 WEEKS • ONLINE & PHYSICAL

Corporate Governance

Learn governance frameworks, board effectiveness, compliance management and ethical leadership.

8 WEEKS • ONLINE & PHYSICAL

Strategic Management

Master competitive strategy, execution discipline and growth planning for African markets.

8 WEEKS • ONLINE & PHYSICAL

Built for CEOs, directors & government leaders.

Our executive education brings together global faculty, peer learning and real-world case studies to address the strategic challenges facing African organisations.

1

Leadership Excellence

Build executive presence, influence and the capacity to lead diverse teams through complexity.

2

Strategic Thinking

Learn to diagnose markets, craft competitive strategy and align organisations behind ambitious goals.

3

Corporate Governance

Strengthen board dynamics, compliance, risk oversight and ethical decision-making.

4

Change Management

Lead transformation, manage resistance and embed a culture of continuous improvement.

5

Executive Decision Making

Make faster, evidence-based decisions under uncertainty and competing stakeholder pressures.
